Re: New Law Book Orders

Bowls Australia (BA), in consultation with the National Officiating Advisory Group (NOAG) and World Bowls (WB), has issued the latest edition of the Laws of the Sport (Crystal Mark Version 3.1) on 31 May 2019. The new edition includes updates to the Domestic Regulations (DRs) in particular DR 2; Bowls Australia Policies and; changes to the Index.

DR 2 has been rewritten to make the requirements for substitutes and replacement players simpler and more easily understood as well as some changes to maintain participation after withdrawal of players.

The new DR allows for Controlling Bodies to approve changes to the players nominated to form teams before the first round has been played. This change will reduce the need for teams to forfeit in the first round when players who have nominated are no longer able to play.

Domestic regulations must follow the WB - Laws of the Sport and member nations are given permission to apply local domestic regulations according to Law 57.1. The Laws of the Sport cannot be contracted out.

All future events run by BA after publication of the Laws of the Sport (Crystal Mark Version 3.1) will be conducted in line with Version 3.1.

Bowls NSW has implemented these Domestic Regulations within its 2019 COP.

As Bowls NSW office is undergoing major refurbishment and operating out of a temporary office and in order to simplify the ordering process, we are asking for Zones to collate orders on behalf of their member clubs onto the attached order and payment form.

Law Books cost \$9.00 per book.

We ask that Zones send in payment for the required number of books being ordered and to invoice member clubs for their relevant proportion of payment.

Orders from individuals will not be guaranteed to be processed during this refurbishment period.

Head of Sport & Operations – Bowls NSW
