Re: Bowls Australia – Artificial Devices Policy

Bowls Australia has announced an update to their Artificial Devices Policy.

The policy change now includes a new provision:

5.1.8 The bowlers arm once used in a game must be used for the remainder of the game, including rolling of the jack.

All players and officials should be aware that this a change from the previous provisions of the policy.

The full policy may be downloaded from

http://www.bowls.com.au/Portals/9/Policies/2018/Artificial%20Devices%20Policy_Nov%202017.pdf
