**Re:** 2020 Conditions of Play and Season Program Released

---

Bowls NSW is pleased to release the 2019 Conditions of Play and 2020 Season Program.

The 2020 Season Program has some significant changes in representative fixtures, with the changes necessary due to the introduction of 'The Nationals' by Bowls Australia.

The Nationals will see all National Representative and Championship Events played over a two-week period in October.

The Conditions of Play has some changes from the 2019 version; however, these changes are not major.

The Conditions of Play include provisions for the introduction of the Over 40s Pairs, however most changes are a slight rewording to clarify intent.

The 2020 Conditions of Play take effect for all 2020 Association Events, from 1 January 2020.

Copies of the 2020 Conditions of Play can be downloaded for free from the Bowls NSW website or printed copies will be available from Bowls NSW for \$5.50 (inc GST) plus postage as applicable.
