Re: Roadshows continue with more new sessions added!

Our Unification Roadshow continues across New South Wales, where we have been meeting with members to share the work completed to date, discuss the benefits of the unification model, and importantly answer any questions from the bowls community.

We have now hosted six information sessions across two regions with over 240 attendees representing 46 clubs. The sessions run for approximately one hour, which is structured to include a 30-minute presentation and 30 minutes for questions and answers.

Due to increased demand, we have added an additional five sessions, on top of the two added last week. Please see the schedule on the following page for more information.

We encourage all members of the NSW bowling community to attend a session in your local area and you can register through the following link: <https://nswroadshowregistration.questionpro.com>.

Although registration is not compulsory prior to attending, it is recommended. It will assist with planning and enable us to communicate any schedule changes or venue capacity constraints.

Updated Questions and Answers

Based on what we have heard through the Roadshow, the Q&A document has been updated to address specific questions that have been asked, and can be found on both websites.

We continue to welcome any questions you may have throughout this process and these can be submitted to unification@bowlsnsw.com.au.

Yours sincerely
