Re: POTABLE WATER SURVEY – NSW BOWLING CLUBS

The NSW Bowling Greenkeepers Association have been working in conjunction with the NSW Golf Course Superintendents Association, Bowls NSW and Water, Property and Housing Minister Melinda Pavey in regards to the Water Restrictions across the state.

We are seeking to obtain information from our NSW Bowling Clubs to assist in these discussions and formulate and implement workable restrictions and strategic water solutions for future years for the benefit of our sport and clubs.

Thank you in advance.
